

Come to the Library's first ever Tuesday Talk to watch a demonstration of container gardening.

Our May 2nd Tuesday Talk will be given by Gord Knights, whose regular column 'Gardener's Corner' was enjoyed by readers of the Smiths Falls EMC and Kemptville Advance for many years.

Tuesday Talks will be held by the Library on the first Tuesday of every month starting this May. The Talks will run from 7 to 8 pm.

This year's theme is gardening.
