

RESTORATION FUND

Members were busy this year working on the older stones in need of repair. When you walk through the grounds, you will notice several of the old markers have been given new life with a metal frame to hold the broken parts together. A good example of this is the stone marking the burial place of LIEUT. JOHN DULMAGE, known as the hero of the 1838 Battle of the Windmill. See it near the road, at the southwest section.

The work goes on, your gifts pay for materials, labour is volunteered by Board members and friends. If you want to be part of this worthwhile effort, mark your donation to the "Restoration Fund" or give to any member.

CORNER MARKERSS

If your plot does not have corner markers, we would appreciate it if these would be installed to clearly set out your holding. We hope by this means to forestall any problems with those which do not have markers of any type.

BY-LAW

We would like to thank those who have responded to the by-law by keeping the grounds free of impediments during the mowing season. You will understand the problems caused when glass bottles, plastic pots, arrangements of any sort have to be moved before the mower can proceed. The grounds-keeper is authorized to permanently remove them at any time they are deemed to be a hindrance in his work.

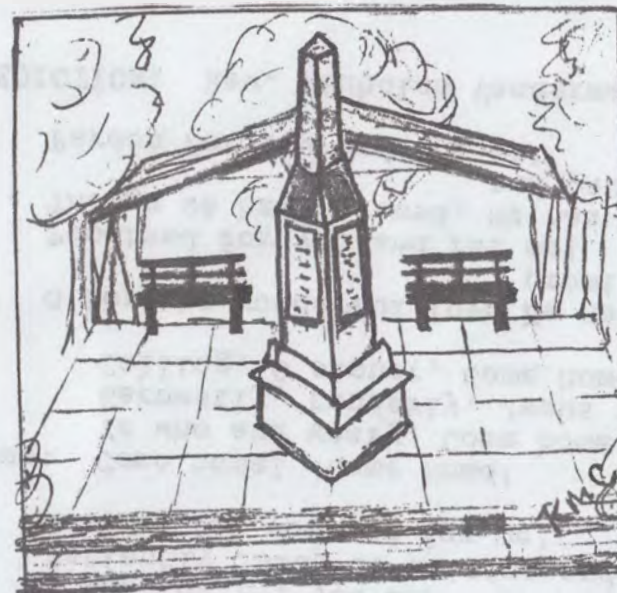

NEW SECTION

The seeding and leveling of the new section at the back has proceeded well, and plots there should be available in the Spring. For these, or any plots, see Board member Vernon Irish.

THANK YOU FOR ATTENDING THE SERVICE, AND FOR YOUR CONTINUING INTEREST IN THIS CEMETERY.

ANNUAL MEETING, April 24, 1989

Held in home of Egbert Fretwell, Board Chairman, with these members present: Gerald Hough, Carl Durant, Joan Hubbard, Bill Richards, Percy Baker, Leslie Dulmage, Gordon Conklin, Vernon Irish and Goldie Connell.

Extensive work has been done on the new part of the grounds being laid out, it is now ready for seeding and rolling. Edward Robinson has done this. He is to be paid for fertilizer supplied there.

Price of burial plots in this area was discussed - Carl suggested \$250 per burial, with an additional \$90 for four corner markers. Moved by Bill Richards that this be policy, seconded by Carl Durant.

Corner markers are to be a MUST for all plots in the new section E and elsewhere when possible to contact plotholders. This will save much confusion as to location. Carl has discussed this with Bower Memorial and secured prices.

The Memorial Service will be the last Sunday in August as usual. 2:30 Mildred Weir has asked to be excused from duties in this, and Leslie Dulmage agreed to take care of her task - that of assuring Valley Sound System for the service.

Soldie agreed to contact Brian and Sharon Barton and David Downing regarding music for the service.

Some type of cover-up for Claud Cheetham during opening graves in the rain was discussed, but nothing practical was suggested. He will get brackets to hold the planks on the building and a tarp to cover opening Carl Durant will arrange for this.

Bill Richards agreed to secure a speaker for the Memorial Service, Several local ministers were suggested, and contacts made.

A work bee date was set - (four members turned up for that)

Egbert asked that a Vice-Chairman be named for occasions when he could not be present, and Carl Durant agreed to do this.

The financial statement presented by Joan Hubbard had to have some explanations. She will have to contact the former treasurer, Irene Robinson, to clear up the amount we have in the working account and in the perpetual care account. She had no knowledge of how this had been done. A corrected statement came a week late, all solved. There is much to learn, Joan is doing a very competent job. Certain monies have to be kept in separate accounts to conform with the Cemeteries Act.

The usual honoraria were passed, and general discussion of problems and plans followed for an hour.

BOARD MEMBERS 1982-83

Chairman - Egbert J. Fretwell
Recording Sec. - Gerald Hough

Treasurer - Irene Robinson
Caretaking Funds - Goldie A. Connell

Members: Edward Byers, Leslie Dulmage, Percy Baker, Gordon Conklin
Elton Bass, Carl Durant,

- 1983-84 Add Edward J. Robinson
- 1984-85 Add Gerald Hough to replace Mrs. Mildred Weir as secretary
- 1985-88 Add Vernon Irish, William Richards
- 1988 Combined offices of Treasurer Joan Hubbard

Grounds Keeper - Claud Cheetham with help of Vernon Irish.

1993 - Added member Betty Downing to assist with duties of Goldie Connell,
eventually to take over her work - arranging the
Memorial Service and Remembrance Day Services.

NOTE:

Again this year, the trustees spent time realigning stones in the older parts of the grounds where no living relatives are now here to do this work. Plotolders are responsible for the care of stones, it would be well to check your monuments for care if needed, the trustees will be glad to advise and assist. They trimmed trees and did other housekeeping chores at several evening "bees".

CORNER MARKERS- All new plots are required to secure corner markers, and we would appreciate it if those older ones which do not have the corners marked would attend to this. It helps avoid problems when opening burial places. See Vernon Irish for this service.

COST OF PLOTS; Some changes have been found necessary with the number of cremations now. For this information, see Vernon Irish, Egbert Fretwell or Joan Hubbard.

RECORDS: Each year, we have numerous calls for information on interments from those doing family histories. It is well known that, in the earliest days, few records were kept. Goldie Connell attends to these, and often can help, combining her records with those of the Grenville County Historical Society which has church records and a number of scrapbooks with obituaries kept by former residents.

BUILDING; The small shed at the rear is no longer adequate to house the mowers and other equipment. In the near future, it will be necessary to provide a larger storage area.

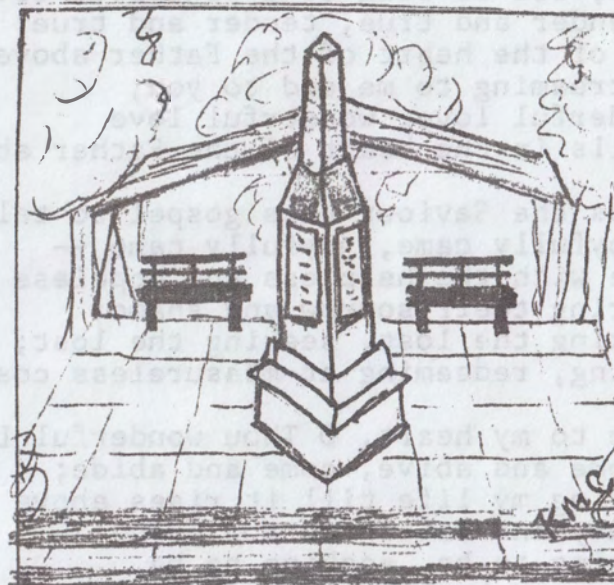

APPRECIATION to those who conform to request to keep grounds clear of impediments during the mowing season.

CHAIRMAN: Egbert J. Fretwell

MUSIC: Leading the choir, Brian and Sharon Barton

HYMN: Come, let us sing of a wonderful love,
Tender and true, tender and true;
Out of the heart of the Father above,
Streaming to me and to you;
Wonderful love, wonderful love
Dwells in the heart of the Father above.

Jesus the Saviour this gospel to tell
Joyfully came, joyfully came --
Came with the helpless and hopeless to dwell,
Sharing their sorrow and shame;
Seeking the lost, seeking the lost;
saving, redeeming at measureless cost.

Come to my heart, O Thou wonderful Love!
Come and abide, come and abide;
Lifting my life till it rises above
Envy and falsehood and pride;
Seeking to be, seeking to be,
Lowly and humble, a learner of Thee.

Rev. Janet K. Evans, minister at
Victoria United Church, Augusta Charge

HYMN:
Will your anchor hold in the storms of life?
When the clouds unfold their wings of strife
When the strong tides lift and the cables strain
Will your anchor drift or firm remain?

Chorus:
We have an anchor that keeps the soul
Steadfast and sure while the billows roll;
Fastened to the Rock which cannot move,
Grounded firm and deep in the Saviour's love.

It will surely hold in the straits of fear,
When the breakers tell that the reef is near
Though the tempest rave and the wild winds blow
Not an angry wave shall our bark overflow.

BENEDICTION: Rev. J. K. Evans.

Our appreciation to those who conform to request to keep the grounds clear of impediments during the mowing season. All arrangements will be removed during this time to assist in mowing. These are the responsibility of those who place them there.

CORNER MARKERS: All new plots are required to have corner markers to mark them clearly. We would appreciate it if those older ones which do not have corners marked would attend to this. See Vernon Irish for this service.

COST OF PLOTS; Some changes have been found necessary with the number of cremations now. All costs of maintenance have gone up, also. For information on plots, see Vernon Irish or Egbert Fretwell.

BUILDING: The small shed at the rear is no longer adequate to house the mowers and other equipment. In the near future, it will be necessary to provide a larger storage area. Financial help with this project would be greatly appreciated. See Joan Hubbard.

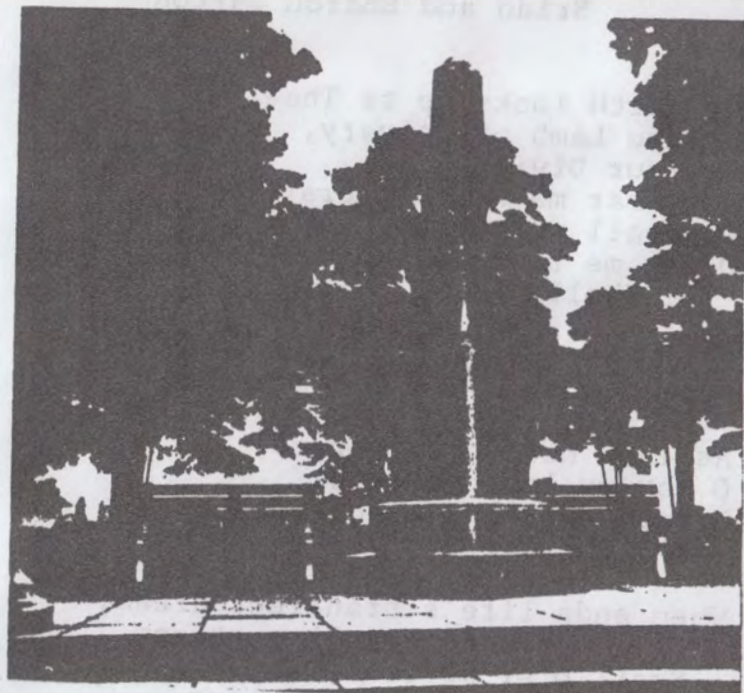

RECORDS: This is becoming more and more a valuable service for those doing family histories. Goldie Connell has the records in as far as they can be located, and, along with church records and scrapbooks of obituaries, is able to help a number of researchers each year. Duplicate records are also housed with the Grenville County Historical Society at the Resource Centre, Homewood. In addition, it is required by the Cemeteries Acts that these records be maintained and kept up-to-date.

NEW SECTION, you will note at the east rear, ready now for burials. Very few places are left in the older part of the grounds that are not now held by owners.

Strength to my fainting heart,
My zeal inspire;
As Thou hast died for me,

Pure, warm, and changless be,

Cleanse me from its guilt and power.

Simply to Thy Cross I cling.
Naked, come to Thee for dress;
Helpless, look to Thee for grace;
Foul, I to the fountain fly;
Wash me, Saviour, or I die.
